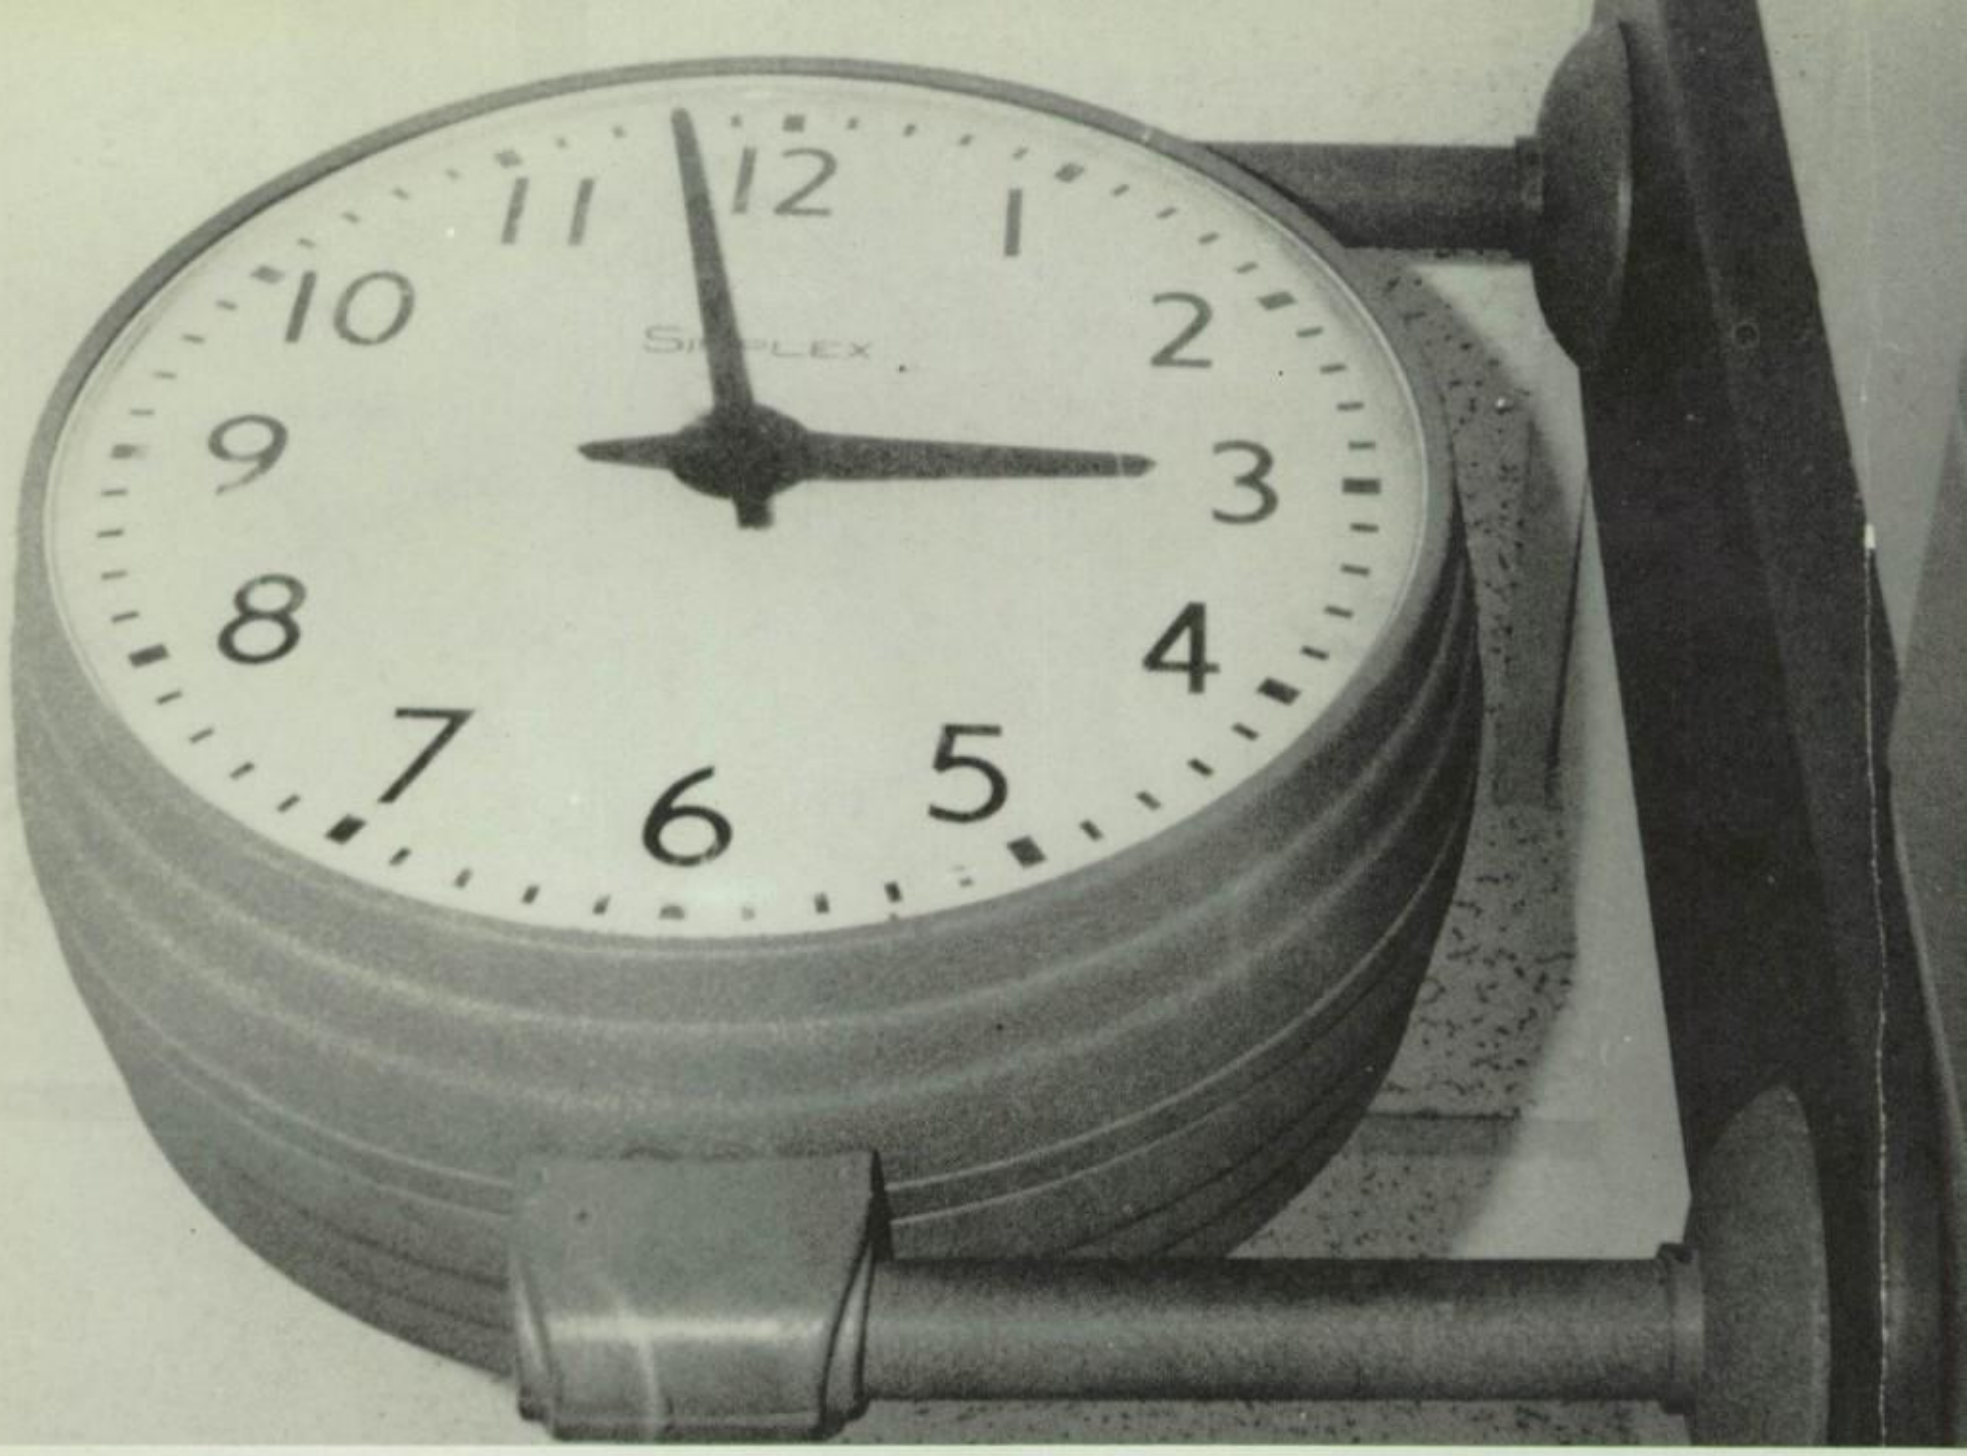
Good morning, yesterday.
You wake up, and time has slipped away,
And suddenly it's hard to find
The memories you left behind.
Remember, do you remember . . .

WILDCAT 1977

Dunbar High School



. . . the laughter and the tears,
the shadows of misty yesteryears.
The good times and the bad you've seen
and all the others in between,
remember, do you remember
the times of your life?

Reach back for the joy
and the sorrow,
put them away in your mind.
For memories are time
that you borrow
To spend when you get to tomorrow.

Here comes the setting sun.
The seasons are passing one by one;
So gather moments while you may;
Collect the dreams you dream today.
Remember, will you remember
The times of your life?

FALL

VOTE

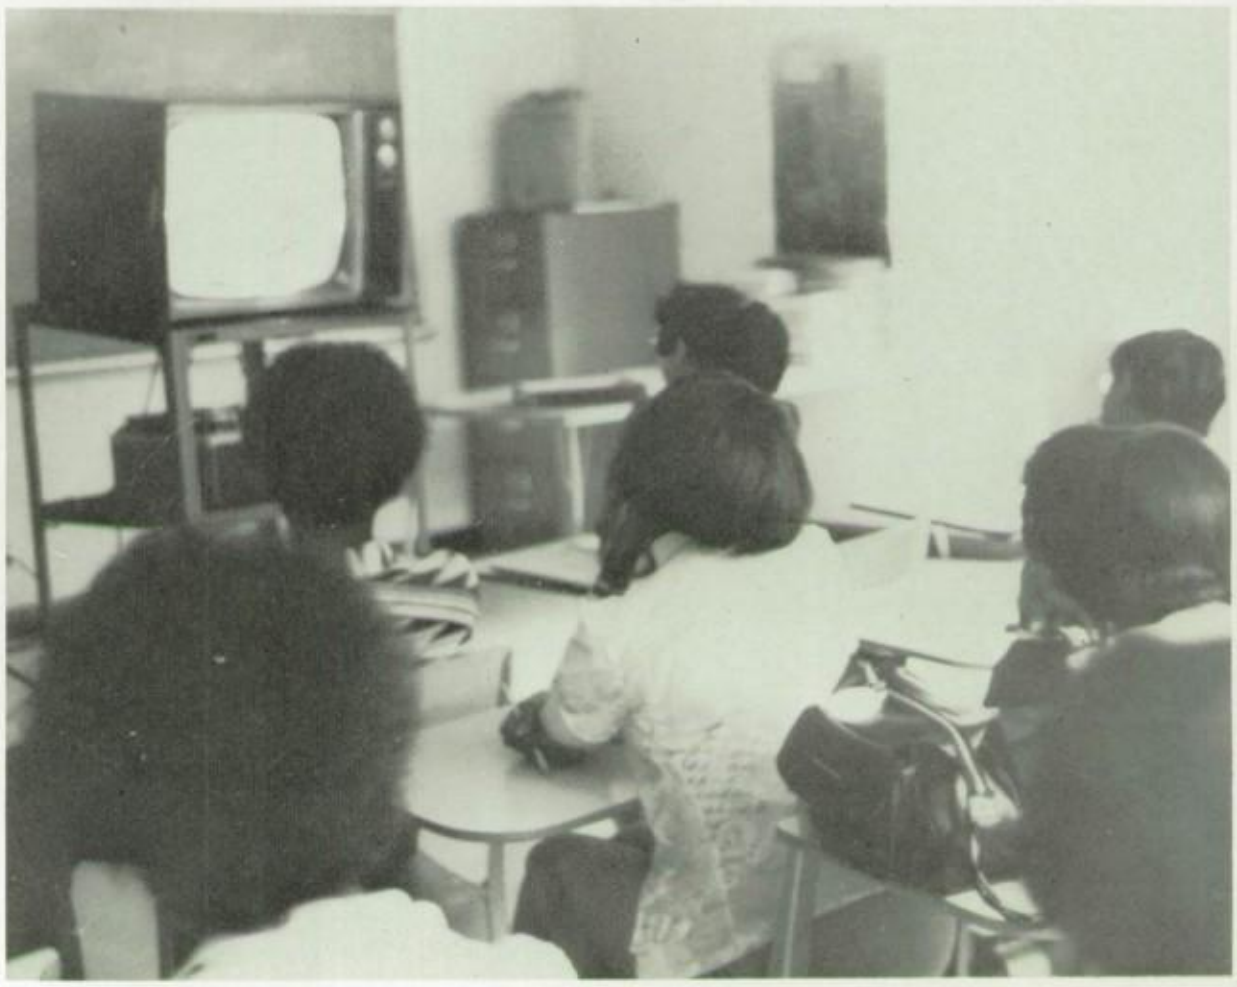
Time to Begin Again

Fall brought Wildcats back to familiar faces and places. It was a season of renewing old friendships and beginning again. Students supported a new football team directed by a new head coach; they set goals, organized clubs, and somehow found time to study. As autumn decked the trees with color, Wildcats decked the halls with spirit.

Wildcats Have Classes—And Class!

When the school bells marked the end of summer, Dunbar students returned for another year of learning through sharing. Wildcats shared ideas and talents, learning from each other as well as from experienced teachers. Pride in learning is what Dunbar is all about.

Make the pilgrimage to Canterbury and repent of your sins.



Varsity players show their spirit, while . . .

. . . the coaches show their legs!

I've got faith in my team.

Wildcats cannot live by books alone.

Reflector Staff Presents Wildcat Talent

The *Reflector* staff and advisor, Mrs. Brenda Cregler, sponsored a fall talent show on October 21. The talent extravaganza consisted of skits by both students and teachers. Music, comedy, and dance filled the auditorium. The Six Bits Band closed the successful show with the popular "Get the Funk Out of My Face". Funds raised were used for new journalism equipment.

The Skylighters dance to "Fifth of Beethoven".

Wanda Williams sings with feeling as Willis Peyton accompanies.

So what? He's taking me out tonight.

Carnival Offers Tricks and Treats

The PE department sponsored the annual Halloween carnival on October 28. Organizations had booths, haunted houses, and refreshment stands. Wildcats prowled through haunted halls.

Varsity Football

New head coach B.J. Johnson and Willie Jones joined coaches Criss and Parker to make up the 1976-1977 varsity coaching staff. The Cats began with a victory over Lincoln of Dallas, and they kept the faith in spite of some later defeats. Coaches and players worked hard with the district title as their goal.

Wildcats had a victorious homecoming, downing the Poly Parrots 28 to 0. Touchdowns were made by Gregory Andrews, Noel Brown, Leon Felder, Charles Johnson, and Michael Littlejohn.

Varsity team captains, pictured at right, were Leon Felder, D.L. Johnson, Cleveland Tave, and Charles Johnson.

Freshman Football

Freshmen started the year off right with consecutive wins over North Side, Southwest, and Poly. Then Charles Sights suffered a knee injury and was lost for the season. This put a damper on freshman offense and brought down team morale. Sights' replacement, Thomas Simon, did a fine job until he also became lame. The rest of the season was lost, but freshman spirit prevailed.

The third annual Homecoming parade was a tremendous success. Fans gathered around early to watch the exciting spectacle. Many organizations and community patrons such as the band, drill team, cheerleaders, ROTC, OEA, annual staff, teachers and sponsors participated with decorated cars and floats. This undoubtedly was the highlight of homecoming which enchanced the spirit of the game.

WINTER

Winter Activities

Wildcats celebrated the Christmas season with a musical program and a school dance on December 16.

The Dunbar chorus and band presented Christmas music representative of various styles from the Baroque through contemporary periods. Willis Peyton and Vernon Douglas were featured soloists.

Health Career Club members sponsored the Christmas dance in the school cafeteria. They charged one can of food per person for admission, and the food was given to a needy family.

Wildcats Soar to the Top

By demonstrating explosive pro-styled offense and ball-bounding man-to-man defense, the 1977 basketball team earned the nickname "The Flying Wildcats".

At mid-season the Wildcats had a 27-1 record. They took the Arlington classic by storm, whipping the host Arlington Colts in the finals. They also traveled to Longview, where they beat the Southwest Rebels to take top tournament honors.

Wildcats clinched the district title in January by defeating Arlington Heights. Texas coaches selected the Dunbar varsity as the number one basketball team in the state.

Many Moods of Coach Hughes

After coaching three state championship teams at I.M. Terrel, Coach Robert L. Hughes came to Dunbar to lead the Wildcats to victory. Stressing discipline and gentlemanliness, Coach Hughes taught varsity players to show class and to detest losing. In appreciation for his guidance, the "Flying Wildcats" requested that we print the following letter to the coach:

> "We've worked hard, run hard, and played hard to reach our ultimate goal—the prestigious state championship. We've come to school at 8 a.m. and left at 8 p.m., practiced till our legs have grown numb, and scrimmaged against big bruising I.M. Terrell ex-players. We may have grumbled and talked about quitting, but you, Coach Hughes, taught us to have guts. We thank you for taking out years of your life to teach us to play basketball and to play it well. We hope that our performance in the state championship games has in some way repaid you."

Hughes listens intensely.

THE AGONY OF DEFEAT

In March, Dunbar defeated the defending state champion, El Paso Eastwood, in the regional tournament in Abilene. The Flying Wildcats stormed the Abilene Christian Univeristy court to win a 68-63 victory over the state's no. 1 ranked team.

Wildcats then went to Austin for the state championship games where they nailed stubborn Houston Westchester 74-68 in the opening round. Dunbar treated a crowd of 7,800 to an exciting exhibition, as they toppled Westchester in the final five minutes of the game.

Dunbar played Dallas South Oak Cliff on the following day in the state finals. The Golden Bears edged past the Wildcats during the last six minutes to snatch away the state title with a 78-71 win.

The Flying Wildcats thus ended a brilliant season with a record of 39 wins and 2 losses. James Griffin, Cletis Hubbard, and Michael Watley made the 4A-7 all district team, and Coach Hughes was named coach of the year.

The Dunbar Wildcat Marching Band kicked off the season with almost 100 hard-working and willing members. The band first began their season with the Dallas Lincoln High "Purple Flash". Although the band was not prepared for their half-time show, they showed their spirit from the stands. The band had crowds roaring with "Feel Like Making Love". They repeated this performance and got standing ovations.

Most important on the minds of students was the All City Band Contest. They had to concentrate on precision marching, which is a necessity for contests. Mr. Charles Scott, Band Director, received a trophy stating, "To A NUMBER ONE MAN, FROM A NUMBER ONE BAND". We are proud of our Marching Band.

The 1976-77 Stage Band that ranked third in state began the season with only three appearances, one at the Aquarium and two at the Blackstone Hotel. Featured soloists were Erma Sanders and Zellean Williams, a newcomer to the Stage Band this year. The band also had soloists Reginald Bonner, on the trumpet, Donnell Parish on the saxophone, and Frederick Bowers on flute. Other vocalists included at right, Sheila Woods, Vernon Douglas, Erma Sanders, Danny Nickleberry, and Zellean Williams. They truly got their thing together.

Chorus Members Work and Sing in Harmony

The Dunbar chorus is comprised of students from grades 9-12. They are active and enthusiastic participants in chorus festivals and concerts of all kinds. The repertoire is widely diversified. Music from "Bach to Rock" is sung; therefore, the chorus develops an appreciation of all kinds and styles of music. The chorus also develops dependability, self-discipline and poise along with the necessary vocal ability. Each student is encouraged to present the very best performance possible.

Future Homemakers of America is an organization for past and present homemaking students. Its main purpose is to develop youth leadership.

In the Fall, FHA members sold candy to raise funds for their activities and to send their top students to the state convention. They sent representatives to FHA day at the State Fair in Dallas, and they sponsored a candy walk at the Halloween Carnival.

FHA sent 30 members to the state convention in March. Their 6 most outstanding members went to Houston in April for the state FHA convention.

The team entered the Joshua boxing tournament, the Arlington Boys Club tournament, the United Auto Workers tournament in Grand Prairie, the Haltom City boxing tournament, and the Panther Boys Club tournament of Fort Worth. They won championships in all but the UAW tournament, and they went on to compete in the Golden Gloves at Will Rogers Coliseum.

Willie Caldwell was the big surprise of the team, winning in the light heavy weight division in two out of three tournaments.

Who's Who

A new tradition began at Dunbar this year, as faculty members honored the school's most outstanding student leaders. Basing their selection on demonstrated leadership capabilities, as well as on academic excellence, the faculty elected ten students to Who's Who.

Senior Frederick Bowers was active in band, chorus, and student council. He brought recognition to Dunbar early in the year, when he was awarded a prestigious scholarship.

Excelling in journalism, Cynthia Smith served as yearbook editor, worked on the *Reflector*, and was a member of the first Urban Journalism Workshop. She was 1976 junior class secretary, Health Career Club secretary, an ROTC sponsor, and a student council member.

Thomas Glenn, senior class president, worked on the Student Advisory Committee. He was named to the all city basketball team, and seniors elected him Afro King.

Among Elizabeth Williams' many activities were chorus, FHA, SAC, and NHS. She served as student council president and was named Most Studious by fellow seniors.

Pamela Beene worked on the newspaper and yearbook staffs, as well as in student council, NHS, FBLA, and chorus. Seniors considered Pamela Most Likely to Succeed.

Varsity cheerleader Lula Nickerson's many activities included student council, chorus, and FBLA. Lula served as HCC president and worked on the yearbook staff.

Miss Dunbar, Annette Brown, was active in ROTC, band, chorus, student council, and NHS. She also worked on Dunbar's Revitalization Committee.

A Word From the Editor

Cynthia Smith

The 1977 *Wildcat* represents the times of your life. We have tried to preserve the year for you in pictures and stories, and I feel that we have succeeded.

This book not only took hard work, but it took hard workers. This is why I want to thank the following people: Mrs. Helen Dunlap, for her faith in us and endurance; all yearbook members (Pam, Juanita, Lulu, Vanessa, Lola, Reginald, Broderick, David, Paul, and DeJuan)—it couldn't have been done without their tardiness (only kidding), craziness, and togetherness; Mr. Ben Trail, who paved my way; Mrs. Kathryn Edwards, who became my friend in hard times; our principal, Mr. Young, who worked with us and knew we could do a good job; and our yearbook company, Herff Jones. Thank you.

The birth and the end of our book has been compiled for you to come back and look upon in future years. May God ever bless the mighty Wildcats.

Glen Carroll
